

KALPANA D. PATEL, M.D.

Bus: 65 Wehrle Drive
Buffalo, NY 14225
716-833-2213 / 716-837-1320

**PERSONAL:
COLLEGES:**

St. Xavier's College - First in Class, First in Final Examination -
Interscience Degree - June 1963 - Anmedabad Gujarat, India

Represented St. Xavier's College in intercollegiate debate in
English, 1961-1962.

B.J. Medical College, Ahmedabad, Gujarat, India, Graduated
with M.B.B.S. - October, 1967 (equivalent to M.D. in USA).
Passed the first, second and third (final) M.B.B.S. examinations
of the University of Gujarat at the first attempt. **Stood Second
best in the subject of medicine and OB-Gyn and secured
distinction in the subject of medicine.**

INTERNSHIP:

Civil Hospital, Ahmedabad, Gujarat, India 1967-68
Rotating Internship, One year

Bexar County Hospital
University of Texas Medical School
San Antonio, Texas
Three months of straight Pediatric internship
April 1969 - June 1969

RESIDENCIES:

Bexar County Hospital
University of Texas Medical School
San Antonio, Texas
First and second year residency in Pediatrics
July 1969 - June 1971
(Nine months in nursery - intensive care unit; also premature
and regular nurseries)
Albany Medical Center Hospital
Albany, New York
Third year residency in Pediatrics
July 1971 - April 1972
(12 months experience in nursery; 1 month - intern; 4 months -
first year resident; 4 months - second year resident; 3 months -
third year resident; 2 months of first, second and third year in
charge of nursery)

**TEACHING
APPOINTMENTS:**

Clinical Assistant Professor of Pediatrics
July 1972 - June 1973
West Virginia University Medical Center
Morgantown, West Virginia

Clinical Instructor in Pediatrics
1973 - 1974
State University of New York at Buffalo
Buffalo, New York

Clinical Assistant in Pediatrics
1974 - 1976
State University of New York at Buffalo
Buffalo, New York

Clinical Assistant Professor of Family Practice
1976 - 1982
State University of New York at Buffalo
Buffalo, New York

Clinical Assistant Professor of Pediatrics
1976 - Present
State University of New York at Buffalo
Buffalo, New York

Chief of Pediatrics/Department of Pediatrics
May 1976 - August 1982
Deaconess Hospital, Buffalo, New York

PRACTICE:

Private practice in Pediatrics
Morgantown, West Virginia
July 1972 - May 15, 1973

Director of Child Health
Erie County Health Department
Buffalo, New York
July 1973 - May 15, 1976

Private practice in Pediatrics
Buffalo, New York
1976 - Present

Private practice in Environmental Medicine
Buffalo, New York
1984 - Present

CERTIFICATION: Certified by the American Board of Pediatrics, 1971.
Scored second highest in the USA on the written part of the examination of the American Board of Pediatrics, May 1971
Diplomat of The American Board of Pediatrics 1973

Passed Flex examination, New York State, June, 1972.

Certified by “The American Board of Environmental Medicine”, February, 1989.

Certified Diplomat of ABCMT (American Board of Chelation and Heavy Metal Toxicology),

Certified by “The American College of Occupational and Environmental Medicine” for successfully completing curriculum, April 1991.

FELLOWSHIPS: Certified Fellow of the American Academy of Environmental Medicine - 1989.

Associate Fellow of the American Academy of Pediatrics - 1973.

HOSPITAL AFFILIATIONS: Childrens’ Hospital of Buffalo
Buffalo, New York
Clinical Attending Staff
1974 - 1993

Childrens’ Hospital of Buffalo
Buffalo, New York
Associate Attending Staff - Pediatrics
1993 - Present

Sisters of Charity Hospital
Buffalo, New York
Clinical Attending Staff

MEDICAL SOCIETY MEMBERSHIPS: Member of the American Academy of Pediatrics
1975 - Present

MEDICAL SOCIETY MEMBERSHIPS (Cont): Member of the American Academy of Environmental Medicine
1987 - Present

Member of the American College of Occupational and Environmental Medicine - 1990

Member of the American Academy of Otolaryngic Allergy ,
1991
Member of The American College for Advancement in
Medicine (ACAM) 1996-Current
Member of “Defeat Autism Now” society
2005-current
Member of The International Lyme Disease Association
2003-Current

**MEMBERSHIPS/
OFFICES HELD:**

Founder & Director, Allergy & Environmental Health Center
of WNY

President of American Board of Environmental Medicine
1996 - 2009

President of International Board of Environmental Medicine
1996 - 2009

Treasurer of The American Board of Environmental Medicine
2009 – Current

Executive Director of The American Board of Environmental
Medicine
2009 – Current

Examiner for “The American Board of Environmental
Medicine” 1994 - Present

President of Environmental Health Foundation of New York
1997 - Present

Treasurer of “Environmental Health Research Foundation”
2004 - Present

Board of Directors - American Academy of Environmental
Medicine 1994 - 1997

Advisory - Executive Committee - American Academy of
Environmental Medicine 1998 - 1999

Course Director – Chemical Sensitivity Instructional Course III

By American Academy of Environmental Medicine
2008,2009,Current

AWARDS:

2003 National Leadership Award - “Honorary Chairman of National Physicians’ Advisory Board”

2003 Physician of the Year
National Physicians’ Advisory Board

“2004 Pioneer of Healthcare Reform”
National Physician’s Advisory Board

“2006 Hind Ratan Award”
NRI Society of India

“2006 B.J. Medical College Award”
Recognition for the contribution in the field of EM
B.J. Medical Alumni Association

“Jonathan Foreman Award”
Recognition for the Contribution in the Subject of
Environmental Medicine
American Academy of Environmental Medicine
2006

“Herbert Rinkle Award”
For the Recognition for Excellence in Teaching the Techniques of Environmental Medicine
American Academy of Environmental Medicine
October 31, 2008

COURSES:

National Pediatric Infectious Disease Seminar
Las Vegas, Nevada
February, 1983

COURSES (Cont) :

Post Graduate Courses
Allergy and Immunology Part I and II
American Academy of Pediatrics
Los Angeles, California

Post Graduate Courses
Allergy and Immunology
State University of New York at Buffalo
Buffalo, New York

Allergy, Ecology Workshop
Miller Institute
Mobile, Alabama
July 7-15, 1984

Clinical Allergy-Ecology Preceptorship
Preceptor - Doris Rapp, M.D.
2 ½ hours per week for 26 weeks
1983 and 1984

American Academy of Environmental Medicine Seminar
Post graduate training in allergy, immunology, Clinical Ecology
and Chemical Sensitivities.

Part I - April 1986 - St. Louis
Part II - June 1986 - Denver
Part III - September 1986 - Cleveland

American Academy of Environmental Medicine
Annual Scientific Session
Nashville, Tennessee
October, 1987

American Academy of Environmental Medicine
Annual Scientific Session
Lake Tahoe, Nevada
October 1988

American Academy of Environmental Medicine
Annual Scientific Session
October 1989, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 2000, 2001,
2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009

International Symposium
Man and His Environment
Dallas Texas
February 1988, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 2000,
2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008

The Canadian Society for Clinical Ecology and Environmental
Medicine - Toronto
Annual Scientific Session
April 1988

Allergy and Health Seminar
Phoenix, Arizona
December, 1988

ACOM Post Graduate Seminar
Chemical Sensitivity
October 1990

American College of Occupational and Environmental
Medicine:

Basic Course I - October 1990
II - April 1990 Atlanta
III - April 1991 Pittsburgh

American Academy of Otolaryngic Allergy (A.A.O.A.)
Annual Meeting Scientific Session
1990, 1991 and 1992

AAOA Advanced Course in Otolaryngic Allergy and
Immunology - Course III - February 15-20, 1991 and November
19-24, 1991.

American Academy of Environmental Medicine
Advanced Course in "Nutrition as it Relates to Environmental
Medicine"
1991, 1992, 1993, 2002, 2003, 2004

American Academy of Environmental Medicine
Advanced Course in Chemical Sensitivity
1986, 1991, 1992, 1998, 1999, 2000, 2002, 2003

Chelation Therapy Course by American College of
Advancement in Medicine 1996

Annual Scientific Session by American College of Advancement
in Medicine 1996-7,

Introductory Course in Hyperbaric Medicine by International
ATMO, San Antonio ,Texas
October 12 – 17, 2003
Hyperbaric Medicine Team Training

Nix Hospital, San Antonio Texas
October 12 – 17, 2003 (50 CME Credits)

Defeat Autism Now
Spring Conference - Scientific Session
Philadelphia, PA
April 4 – 6, 2008

Defeat Autism Now
Advanced Course - Scientific Session
Philadelphia, PA
April 7, 2008

LECTURES:

International Congress of Clinical Ecology
International Scientific Meeting - Asahikawa, Japan

The Australian Society for Environmental Medicine,
International Scientific Meeting
Clear Mountain, Queensland, Australia
Topic - Environmental Aspects of Preretinal Macular Fibrosis
Nov. 9-12, 1995

National Conference of Indian Association of Dermatologists,
V & L, India
Ahmedabad, India
Topic - Effects of the Environment on Skin and Related
Diseases
Jan. 25-28, 1996

Functional Institute of Medicine
Sea World Nara, Surfers Paradise,
Queensland, Australia
Topic - Nutrition as it Relates to Macular Degeneration
August 29 - September 2, 1996

30th Annual Convention of Indian College of Allergy & Applied
Immunology
Ahmedabad, India
Topic - Chemical Sensitivity - Mechanism of Induction of
Environmentally Triggered Illnesses, Diagnosis and Treatment
December 13-15, 1996

Lecturing on different topics related to Environmental Medicine
- Chemical Sensitivity - Chronic Fatigue - Nutrition - USA

Published Articles and Case Reports on Chemical Sensitivity -
Chronic Fatigue – Nutrition-Autism

15th Annual International Symposium on Man and His
Environment - Dallas, Texas.
Topic – “Is Breast Milk Safe?”
June 1997

17th Annual International Symposium on
Man and His Environment -
Topic – Newer Approaches for Detection of Water Pollution –
Chemicals and Migraine
June 1999, Dallas, Texas

33rd Annual Meeting of American Academy of Environmental
Medicine
Topic: “Is Breast Milk Safe?”
November 1998, Baltimore Maryland;

34th Annual Meeting of American Academy of Environmental
Medicine - Coeur d’Alene, Idaho.
Topic: Environmental Aspects of Dry Eye Syndrome.
November 1999

18th Annual International Symposium on Man and His
Environment – Dallas, Texas.
Topic: Environmental Aspect of Vascular Endothelial
Dysfunction and Treatment.
June 2000.

12th International Symposium of “Integrative Medicine” –
Lisbon, Portugal.
Topic: Nutritional Treatment of Age Related Macular
Degeneration.
June 24, 2000.

35th Annual Meeting of the American Academy of
Environmental Medicine –.
Topic: Estrogen and Intravenous Magnesium in the Treatment
of Cerebrovascular Endothelial Dysfunction (TIA, Migraine) in
Perimenopausal Women.
September 29, 2000, Hilton Head, South Carolina

American Academy of Environmental Medicine – Colorado Springs, Colorado. Instructional Course 4 – 2001.
Topic – Treatment of Macular Degeneration Using Parenteral IV Therapy: Ophthalmic Proof of Efficacy.
April 2, 2001.

20th Annual International Symposium on Man and his Environment – Dallas, Texas.
Topic – Neurotoxicity Aspects of Solvents and Heavy Metals.
2002

5th Congress “Internazionale Teorico Practico Di Nutrizione Olistica”, Florence, Italy
“Nutrition as it relates to Macular Degeneration”
May 2003

21st Annual International Symposium on Man & His Environment - Dallas, Texas.
Topic - “What is new and different in the diagnosis and management of different skin disorders
Itching-Eczema-Urticaria June 2003

39th Annual Meeting of American Academy of Environmental Medicine
Topic:“Neurotoxicity Solvents and Toxic Heavy Metals”
Oct. 29, 2004; Hilton Head, SC

23rd Annual Symposium
“Man and his Environment in Health & Disease”
“POTS – Autonomic Dysfunction & Min. Deficiency
June 9, 2005; Dallas Texas

24th Annual Symposium
“Man and his Environment in Health & Disease”
Topic:“Autism Part I and Part II
June 2006; Dallas Texas

26th Annual Symposium
“Man and his Environment in Health & Disease”
Topic:“Toxic Mold Syndrome Part I and Part II
June, 2008; Dallas Texas

40th Annual Meeting of American Academy of Environmental

Medicine

Topic: "Autonomic Dysfunction and Nutritional Deficiencies"

Oct., 2005

41st Annual Meeting of American Academy of Environmental
Medicine

Topic: "Autism"

Oct., 2006

10th Congresso Internazionale

Teorico Practico, DI

Nutrizione Olistica

"Food Allergy and GI Manifestations"

"Adverse Effect of Chemicals on GI System"

May 23 – 25, 2008

Rome, Italy

2nd International Congress of Environmental Medicine

Fundacion Alborada

"Principles of Environmental Medicine"

"Respiratory Manifestation as it Relates to Chemical
Sensitivity"

May 30 – June 1, 2008 **Madrid, Spain**

Instructional Course on Food and Chemical Sensitivity:

The multitude of contaminants in our food

Overview of the principles of environmental medicine
for the diagnosis and treatment

An overview of toxicology

The comprehensive history of chemical sensitive Patient

An overview of skin and sublingual testing for chemical sensitivity

The Role of Injection Therapies in the Treatment of Chemical
Sensitivity: Chemicals, Viruses, Bacteria, and Neuropeptides

Sept.5 –6, 2008

Puebla, Mexico

43st Annual Meeting of American Academy of Environmental
Medicine

"Evidence Based Medicine"

"Impact of Mold in the Environment"

"Treatment with Neurotransmitters"

Oct.30 – Nov. 1, 2008

Orlando, FL

44th Annual Meeting of American Academy of Environmental

Medicine

“Mycoplasma – Rheumatoid Arthritis Connection”

Oct.28 – Nov. 1, 2009

Phoenix, AZ

A.A.E.M. Instructional Course

- Part 3 - Basic Chemical Sensitivity
- Part 4 - Advanced Chemical Sensitivity

Overview of the Principles of Environmental Medicine for the Diagnosis and Treatment

The Comprehensive History of Chemical Sensitive Patient

An Overview of Skin and Sublingual Testing For Chemical Sensitivity

Respiratory Effects from Chemical Sensitivity

Ear, Nose, And Throat and Chemical Sensitivity

Musculoskeletal Syndromes and Chemical Sensitivity

The Role of Antigen Injection Therapies in the Treatment of Chemical Sensitivity

Practicum Case History and Intradermal Testing and Treatment

2004, 2005, 2006, 2007, 2008, 2009
